BOHUSLAV z LOBKOVIC

Bohuslav Hasištejnský from Lobkowitz  
1461-1510

Castle Hasištejn in Krušné Mountains

Alexander VI  
Pontificate 1492-1503

Alexander, the shepherd of great Rome, who loved carnage and slaughter with all his heart, was finally swallowed up by the coffin urn, to the great joy of all peoples. O lords of hell, O lords of heaven ... deny this soul access to you. If he comes to the hellish realm, he will disturb the orders of the underworld, if he invades the sky — he will covet the star pole.

Scion of illustrious fathers, O happy heir to the throne,  
The throne awaits you, power, and wealth, and honor.  
Scion of proud fathers - I foresee — you are threatened by  
Poison, traitorous flattery, the enemy's sword and dagger.

Vladislav II  
King of Bohemia  
1471-1516  
King of Hungary  
1490-1516

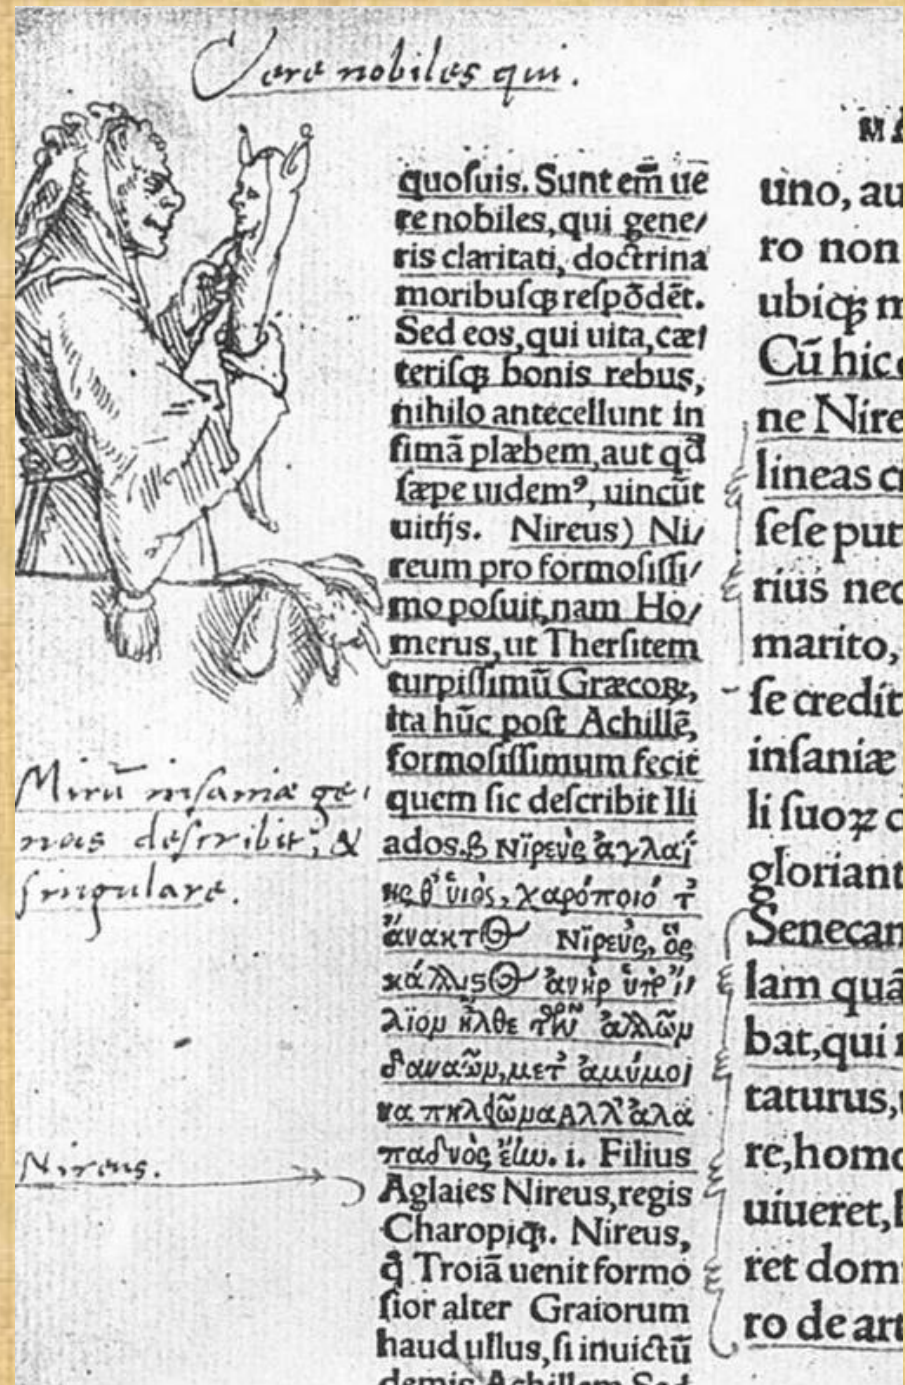

Louis II  
King of Bohemia, Hungary and Croatia  
1516-1526
